

TOWN

Our pick of the best town houses on the market this month

CHEPSTOW ROAD **W2, GUIDE PRICE £3M**

This perfectly preserved Victoriana property is a rare gem. Occupied by its present owners for the past 34 years, there are original Victorian features in their droves, including full-height sash windows, antique pine shutters and original fireplaces. The house is arranged over five floors with a West facing roof terrace and a separate flat in the basement.
